Testimonials

## Customer Testimonials

“We can **work with Rikkeisoft’s teams completely in Japanese**, so it’s very comfortable and easy to work with them.”

**Daisuke Kawasaki**

VP, Digital Transformation Dept;  
Program Manager,  
Online Delivery Bureau of USMH

“Rikkeisoft’s leaders have **excellent Japanese conversational skills**. They do not need interpreters, instead directly conveying project information, specifications, and intentions. Subtle nuances are not lost during our conversations.”

**Saito Makoto**

Executive Officer, CTO of QES group

“I am really **proud of everything our team and Rikkeisoft have achieved** so far, in less than 2 years of partnership. Many people have put in a lot of long hours, late nights and early mornings, and hard work to create the capability we have today.”

**H. G.**

Global Head of Operations Technology (SVP)  
Global Asset Management Firm based in U.S
